**Bottle-free Water
Service Made Simple**

SafeTouch™ protection for antimicrobial touch surface

Multi-stage filtration + in-tank UV provides clean, fresh water

Enhanced alkalinity with nutrient and pH boost from added minerals

Built-in leak detection system provides peace of mind

In-tank LED UV ensures water tanks remain clean between routine service

FILTRATION

Sediment
Reduces particles such as dirt, silt, rust, and pipe residue.

Pre-Carbon
Reduces chlorine, chemicals, and pesticides.

RO
Reduces chlorine, chemicals, and pesticides.

pH Boost / Health
Adds minerals, electrolytes, and enhances alkalinity.

Post-Carbon
Final polishing filter ensures great taste.
